New Health Center - 2005

The OIHCS, despite 4 incomplete rooms with working toilet & water catchment, inaugurated the new "Health Center" in Jan '05 on demand by the community. The experienced health assistant Mr.Mizsheo Tarkio pioneered the responsibilities for the first few weeks.

New Health Center - 2005

The new Health center was built and inaugurated in Jan '05. The old establishment was small and was closed more than 15 years ago. Shortage of staff & inadequate clients was the main factor, which was also contributed by the Government School closure.
